As with any knit garment, care must be taken to avoid pilling, snagging and abrasion. Our warranty does not cover pilling, snagging, abrasion or damage brought about by abuse, misuse, neglect or the damage resulting from use in any activity other than aquatic exercise and/or swimming in normal pool conditions. Damage from hot tub benches or their surroundings is not covered under this Warranty.

Please do not use "spin dryer machines" that you may find in locker rooms, as they can snag, pull and damage suits.
